

# Bubble Paint Snowflakes!

IDEA!

Turn any room into a frozen ice castle with these fun bubble paint snowflakes!

## You'll need...

- Micador Vibrant Watercolour - Blue
- A round container
- Dishwashing liquid
- Straw
- Water
- White A4 paper
- Scissors
- Hole punch
- String
- Micador Art Smock - this can get messy!

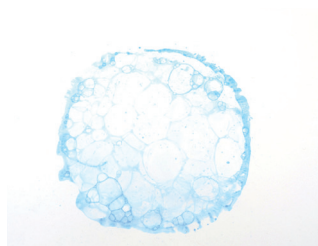

## Let's start...

- 1.** Mix 1/2 cup of dishwashing liquid, 1/4 cup of water and a small amount of Micador Vibrant Watercolour in a container.

- 2.** Grab your straw and blow (careful not to suck!) into the mixture until your container is overflowing with bubbles!

- 3.** Grab a piece of white A4 paper and lightly press it over the bubbles - you should get a print like this!

- 4.** Cut around your bubble print, making a circle, then fold your circle into quarters.

- 5.** Cut into your folded piece of paper, using lots of different shapes. Make sure you don't cut the folded edges!

- 6.** Unfold your paper to reveal a beautiful snowflake! Now just punch the top and add your string.
